

**Five Bridges Sunday Intermediate Skate Route, April 2, 2006**  
**Leader: Bill, 240-988-5471 File Name: RouteForSkaters, Five Bridges.doc**

The Washington Area Roadskaters (WAR, skatedc.org) welcomes both its members and non-members to the 11:00 AM Sunday intermediate-level street tour. This will begin at the White House (1600 Pennsylvania Ave. NW). All tour participants **skate at their own risk** and make their own decisions regarding the dangers which are inherent to any form of road, trail, or sidewalk transportation.

**We strongly encourage use of helmets and protective equipment for your wrists, knees, and elbows.**

Well-developed braking, stopping, turning, and curb-stepping skills are necessary for the safe enjoyment of this tour. We will be out in dangerous traffic with the motor vehicles so **we all need to skate in control.**
